Instructions (optional)

In Google Classroom click "Classwork" and "Create" to create a "Question". You can change it to multiple choice or leave it the default short answer.

In the instructions, you can post your instructions and assignments for the day. You can add links or attachments.

In the instructions, ask a simple question and have students respond... (uncheck students can see class summary)

Yes, I understand today's activities

No, I need help and will send an email.
